ACADEMIC VACANCY

Assistant/Associate Professor – Kinesiology, K-12 Health and Physical Education ED7-14

POSITION:

The School of Kinesiology within the College of Education at the University of Louisiana at Lafayette (UL Lafayette) is seeking applications for an Assistant Professor in Physical Education Teacher Education. This is a nine-month tenure track position with the possibility of summer employment.

RESPONSIBILITIES:

The successful candidate for this position will be expected to teach undergraduate and graduate courses in one or more of the following areas: secondary school health and physical education methods, organization and administration, elementary methods, adapted physical education, motor behavior, introduction to kinesiology, skills and techniques in dance, racquet sports, concepts of fitness and wellness, and other skill areas. Supervision of pre-service teachers in field experiences is required. Additional teaching areas and specific assignments are dependent upon departmental needs. Collaborative and cooperative skills to work with other faculty and staff within the department, college, and area schools are essential.

QUALIFICATIONS:

1. An earned doctorate in Kinesiology or related discipline is preferred. ABD candidates will be considered, but initial appointment will be at an Instructor level. 2. Candidates should have k-12 teaching experience and must be knowledgeable about best practices and current national trends in secondary physical education. 3. Candidates are expected to demonstrate a commitment to or potential for teaching excellence, service, and scholarly activity at the university level. 4. Applicants should demonstrate the potential for a focused line of scholarly inquiry appropriate for attaining graduate faculty status, acceptance for publication in nationally refereed journals, presentations at national or international conferences, and acquiring extramural funds.

ADMINISTRATIVE UNIT:

UL Lafayette is the largest of eight publicly supported universities in the University of Louisiana system with an enrollment of over 17,000 students. The School of Kinesiology has over 1,100 majors enrolled in Exercise Science, Athletic Training, Physical Education, Sport Management or Health Promotion and Wellness. Graduate programs in the School of Kinesiology result in a M.S. in Kinesiology with concentrations in Exercise and Sport Science or Health Promotion, Recreation and Sport Management. The facilities include a 1500+ sq ft human performance laboratory with multiple metabolic carts, bod pod, high speed camera motion capture system and force plate systems and an exercise metabolism lab that contains equipment necessary for storage and analysis of biomarkers. In addition, a motor development lab is available with one way glass and equipment available for working with children and students. For further details on laboratory equipment please contact the search committee chairperson.

SALARY:

Commensurate with qualifications and experience.

STARTING DATE:

No later than August 2016

APPLICATIONS:

Applications must be submitted electronically and should include: a cover letter describing your qualifications for the position, a complete curriculum vitae, a statement of research interests and a list of 3-5 references with email and phone contact information. For applications at the Associate Professor level, copies of 2 recent peer-reviewed publications should be submitted with the applications materials. All materials should be sent by October 16, 2015 to:

Chuck Duncan, Ph.D.
