Position: Clinical Veterinarian                    EEO No. RD 1-13

Responsibilities:
The University of Louisiana at Lafayette invites nominations and applications for the position of Clinical Veterinarian.

The position reports to the Division Head of Veterinary Medicine. Responsibilities include providing therapeutic, surgical, and diagnostic support for several breeder programs; evaluating animals and monitoring animal health on various research protocols, such as safety, pharmacokinetic, and efficacy, for the biotechnological and pharmaceutical industry; providing support and instruction to students, residents, visiting veterinarians, and clinical veterinary technicians in the principles and application of non-human primate medicine.

Qualifications:
DVM/VMD from an AVMA-accredited school of veterinary medicine. Must have residency training and be ACLAM board eligible within 1-2 years. Experience with non-human primates is preferred. A highly motivated, self-starter type of individual is sought. Interpersonal/communication skills are essential.

Department:
The New Iberia Research Center provides resources for the conduct of basic and applied research requiring the use of non-human primates aimed at the solution of human health and societal problems. In addition, the Center serves as a resource to the biomedical community, enabling investigators from other institutions to conduct all or part of their research.

Salary: Dependent on qualifications and experience.

Starting Date: ASAP

Applications: Candidates should send a letter of application referencing RD 1-13, resume, transcript and names of at least three references to:
