Staff Vacancy

POSITION TITLE: Teaching Associate

LOCATION: University of Louisiana at Lafayette, Marine Survival Training Center (MSTC)
Lafayette, LA

ORGANIZATION:

The Marine Survival Training Center (MSTC) offers survival craft training, underwater helicopter egress training, marine fire safety and much more. The Mission of the MSTC is to provide the best marine safety training in the world by using state of the art training facilities and experienced motivated instructors while expanding global leadership in research and marine safety education.

MAJOR RESPONSIBILITIES:

Instruct industry personnel in areas of marine survival and safety, including, but not restricted to, enclosed lifeboats, sea survival, helicopter underwater egress, fire-fighting and first aid. Additionally, responsibilities include curriculum development, and maintaining instructional equipment and training aids.

QUALIFICATIONS:

Experience in industrial training and curriculum development.
Experience in the offshore oil industry or at sea experience in the military or merchant marine.
Knowledge of marine survival equipment.
Capable of qualifying as a lifeguard.
Ship's Master/Mate license and scuba certification is a plus.
Minimum of a Bachelor's degree is preferred.

STARTING DATE: July 1, 2013

HOW TO APPLY:

Apply by sending a recent resume with at least three references to the address listed below. Review of applications will begin immediately upon receipt. Send applications to:
