ACADEMIC VACANCY

POSITIONS: Assistant Professor in Biology EEO #: SC 3-11

RESPONSIBILITIES: The successful applicant will teach and conduct research in the area of Immunology, and engage the department and university community.

QUALIFICATIONS: The applicant must have a Ph.D. and post-doctoral research experience in Immunology or a related field.

ADMINISTRATIVE UNIT: The Ray P. Authement College of Sciences consists of academic departments in the disciplines of Biology, Chemistry, Mathematics, and Physics, a School of Geosciences and a School of Computing and Informatics.

The Department of Biology has 23 graduate faculty members with specialties in all of the major branches of the biological sciences. The Department offers B.S. and MS degrees in Biology and a Ph.D in Environmental and Evolutionary Biology.

The University of Louisiana at Lafayette, the largest member of the University of Louisiana System, is a public institution of higher education offering bachelors, masters, and doctoral degrees with accreditation from the Southern Association of Colleges and Schools Commission on Colleges. Within the Carnegie classification, UL Lafayette is designated as a Research University with high research activity. Located mid-way between New Orleans and Houston, Lafayette is the heart of Louisiana’s Acadian-Creole region. The city of 120,000 is one of Louisiana’s fastest growing and is the hub of numerous cultural festivals and celebrations. Further information on Lafayette is available at the University’s website at <http://www.louisiana.edu/>

SALARY: Commensurate with qualifications and experience.

STARTING DATE: August 2016

APPLICATION: For initial consideration, send application letter, CV, statement of teaching philosophy, transcripts and the names, postal and email addresses of three references to the address below. The review process will continue until the position is filled. To ensure consideration, receipt of complete application material is required on or before October 1, 2015.
