Staff Vacancy

POSITION: Accounting and Business Analyst

RESPONSIBILITIES:
Reporting to the Director of Real Estate, the Accounting and Business Analyst performs professional accounting duties, supervises bookkeepers, accounting clerks, office managers, and other classified and unclassified team members, ensures compliance with University and state laws, rules, controls, and best practices related to accounting, compiles data and information, produces reports, and performs analyses of current and prospective business practices.

Duties
- Analyzes financial records, preparing qualitative and quantitative analyses focusing on variances from budget and prior data
- Prepares financial reports and statements, including revenue and expense reconciliations and projections, for assigned area(s)
- Leads accounting clerks, AP/AR clerks, business managers, and other team members, ensuring compliance with policies, laws, and best practices, and that proper controls are in place
- Collects and analyzes data relevant to current or proposed projects to determine efficiency and feasibility of projects
- Makes and implements recommendations to improve project outcomes or processes
- Develops written reports, plans, and presentations that make recommendations to leadership based on data analysis
- Assists in the development of business plans, financial analyses, and market analyses
- Evaluates the financial performance of current projects
- Trains new and existing team members
- Assists in and may lead the implementation of new processes, technologies, and departmental management software
- Performs other duties as assigned by supervisor

QUALIFICATIONS:
- Bachelor’s degree in accounting or a related field
- Experience analyzing data, forecasting, making recommendations, and presenting results
- Ability to plan, organize, analyze, and problem solve with attention to detail
- Mastery of Microsoft Excel and proficiency with other business and accounting-related computer applications
- Highly-developed analytical skills
- Experience with implementation of accounting controls, procedures, and best practices

UNIVERSITY AND COMMUNITY:
(The following is to be included in each vacancy announcement)
