ACADEMIC VACANCY

POSITIONS: Instructor in Biology EEO #: SC 4-15

RESPONSIBILITIES: The successful applicant will teach introductory biology and other courses, demonstrate continued disciplinary expertise, and engage the department and university community.

QUALIFICATIONS: The applicant must have an MSc or higher degree in biology (or a related field) and post-graduate experience teaching freshman biology. Experience with both classroom instruction and online course design and instruction is sought.

ADMINISTRATIVE UNIT: The Ray P. Authement College of Sciences consists of academic departments in the disciplines of Biology, Chemistry, Mathematics, and Physics, a School of Geosciences and a School of Computing and Informatics. The Department of Biology has 23 graduate faculty members with specialties in all of the major branches of the biological sciences. The Department offers B.S. and MS degrees in Biology and a Ph.D. in Environmental and Evolutionary Biology.

The University of Louisiana at Lafayette, the largest member of the University of Louisiana System, is a public institution of higher education offering bachelors, masters, and doctoral degrees with accreditation by the Southern Association of College and Schools Commission on Colleges. Within the Carnegie classification, UL Lafayette is designated as a Research University with high research activity. Located mid-way between New Orleans and Houston, Lafayette is the heart of Louisiana’s Acadian-Creole region. The city of 120,000 is one of Louisiana’s fastest growing and is the hub of numerous cultural festivals and celebrations. Further information on Lafayette is available at the University’s website at <http://www.louisiana.edu/>

SALARY: Commensurate with qualifications and experience.

STARTING DATE: August 2016

APPLICATION: For initial consideration, send application letter, CV, statement of teaching philosophy, transcripts and the names, postal and email addresses of three references to the address below. The review process will continue until the position is filled. To ensure consideration, receipt of complete application material is required on or before November 20, 2015.
