**Unlock your potential by reserving your spot at the 2023 Administrative Professionals Conference, April 12th-April 14th, 2023 in the University Student Union. As an R1 institution, staff development has never been more important. This year we are thrilled to have a lineup of expert speakers who will share their insights and strategies on a variety of topics that can enhance your personal and professional lives.**

Concurrent speakers sharing strategies and practical tools relating to critical topics such as emotional intelligence, professional writing, and time management.

A special President's breakfast in recognition of the invaluable service our Administrative Professionals provide to the University.

A Wellness Expo highlighting the latest trends, products, and services in the health and wellness industry featuring a wide range of exhibits and presentations.
