OF  
LOUISIANA  
*L a f a y e t t e*

## ACADEMIC VACANCY

**POSITION: Assistant Professor, Civil Engineering (Tenure, Tenured Track)**

**EEO# EN 8-16**

**RESPONSIBILITIES:**

We are seeking candidates with a robust academic record, who will be active educators in their fields, serve as a mentor to students, work with colleagues to assess and improve curricula, conduct research and/or creative works in respective area of specialization, and demonstrate institutional citizenship through active engagement at the department, college, university, community, and professional levels.

**QUALIFICATIONS:**

It is desirable that the ideal candidate for this position should have a background in Coastal Engineering (Hydraulic, Hydrology and/or other related subjects). Applicants should either have a proven record or demonstrate the potential for a strong scholarly performance and a commitment to excellence in undergraduate and graduate education in core areas of structures and/or materials. Candidates must have the potential to establish a strong externally funded research program. An interest in multidisciplinary research and practical experience in industry and/or consulting is desirable. The applicant must have excellent communication skills and be a registered professor engineer or have the ability to become registered in Louisiana within five years of appointment. At the time of appointment, the applicant must have a Ph.D. in Civil or Coastal Engineering or a related field, and expertise in one of the aforementioned areas.

Successful candidates must demonstrate a commitment to working effectively with diverse student populations. Applicants must describe their commitment to fostering a diverse educational environment through their research, teaching, and/or service activities.

**UNIVERSITY AND COMMUNITY:**

The Department of Civil Engineering at the University of Louisiana at Lafayette offers programs that include the B.S. in Civil Engineering, the M.S. in Civil Engineering, and the Ph.D. in Civil Engineering Systems. The UL civil Engineering Department is moving forward with the development of its hydraulic/hydrology laboratories and computer facilities

The mission of the University of Louisiana at Lafayette is to offer exceptional education informed by diverse worldviews striving to develop innovative leaders who advance knowledge. The Southern Association of Colleges and Schools Commission on Colleges accredit the University, which offers undergraduate and graduate degrees in the arts, sciences, and professional programs. The University is a public research university with high research activity, an enrollment of over 18,000 students and 800 faculty members. UL Lafayette is the largest of nine universities in the University of Louisiana System. The University offers degree programs in 55 undergraduate disciplines, 15 post-bachelor certificates, 7 graduate certificates, the master's degree in 28 disciplines and the doctorate in 10 disciplines. Additional information about the University is available on the University's webpage at <http://louisiana.edu/>

The core values of the University include equity, integrity, intellectual curiosity, creativity, tradition, transparency, respect, collaboration, pluralism, and sustainability.

UL Lafayette consists of nine degree-granting units: Arts, B.I. Moody III College of Business Administration, Education, Engineering, Graduate School, Liberal Arts, Nursing and Allied Health Professions, Ray P. Authement College of Sciences, and University College.

Located midway between New Orleans and Houston, Lafayette is the heart of Louisiana's Acadian-Creole region. The city of over 126,000 is part of the Lafayette-Acadiana area, which has a total population of 616,000 and is one of Louisiana's fastest-growing metropolitan areas. Lafayette serves as the base of Louisiana's offshore oil industry, as well as the financial, retail, and medical center for South-Central Louisiana.

**SALARY:** Commensurate with experience.

**ANTICIPATED START DATE: August 1, 2017**

**APPLICATIONS:**

Applicants should submit materials in electronic form to [civil@louisiana.edu](mailto:civil@louisiana.edu) regarding the UL Lafayette Coastal Engineering Position. Materials should include detailed curriculum vitae, statement of research interests, teaching philosophy, and the names, addresses and phone numbers of five references. Address a letter of intent to:

Dr. Kenneth McManis  
[civil@louisiana.edu](mailto:civil@louisiana.edu)  
Department of Civil Engineering  
University of Louisiana at Lafayette  
P.O. Box 43598  
Lafayette, LA 70504

The review process will continue until the position is filled. The University of Louisiana at Lafayette is dedicated to the goal of building a diverse faculty committed to teaching and working in a multicultural environment. Women, minorities, and individuals with disabilities are strongly encouraged to apply.

The University of Louisiana at Lafayette does not discriminate on the basis of race, color, national origin, age, religion, sex, sexual orientation, or disability in admission to, access to, treatment in, or employment in its programs and activities as required by Title VI and Title VII of the Civil Rights Act of 1964, Age Discrimination in Employment Act of 1967, Age Discrimination Act of 1975, the Equal Pay Act of 1963, Title IX of the Education Amendments of 1972, Executive Order 11246, Section 503 and 504 of the Rehabilitation Act of 1973, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974 and the 1990 Americans With Disabilities Act. - See more at: <http://personnel.louisiana.edu/employment-opportunities/policy-nondiscrimination>
