## ACADEMIC VACANCY

**POSITION: Assistant Professor, Chemical Engineering (Tenure-Track)**

**EEO# EN 9-16**

**RESPONSIBILITIES:**

We are seeking candidates with a robust academic record, who will be active educators in their fields, serve as a mentor to students, work with colleagues to assess and improve curricula, conduct research and/or creative works in respective area of specialization, and demonstrate institutional citizenship through active engagement at the department, college, university, community, and professional levels.

**QUALIFICATIONS:**

Ph.D. in Chemical Engineering, preferably with a B.S. in Chemical Engineering from an ABET accredited program. However, we will consider candidates with related doctoral degrees and strong records of achievement in other related chemical engineering fields. Related teaching, industry experience, and professional licensure are all highly desirable.

Successful candidates must be committed to working effectively with diverse student populations. Applicants are expected to describe their commitment to fostering a diverse educational environment through their research, teaching, and/or service activities.

**UNIVERSITY AND COMMUNITY:**

The Chemical Engineering Department is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>. The faculty and staff are leaders in their fields. As subject matter experts and dedicated educators, their passion is for providing students with the knowledge, skills, and abilities they need to become future leaders, thinkers, and doers.
