

ASSISTANT PROFESSOR OF MATHEMATICS

EEO# SC 11-15

The Department of Mathematics at the University of Louisiana at Lafayette invites applications for a tenure-track position at the rank of Assistant Professor. The appointment will commence August 16, 2017. Duties include teaching mathematics courses at the undergraduate and graduate levels, conducting research to support professional development, acquiring grants, and engaging in departmental and professional service. Applicants must have a Ph.D. in mathematics and preferably have research interests focusing on applied mathematics specifically numerical analysis with applications in biomathematics and a commitment to excellence in research and teaching.

The University of Louisiana at Lafayette is a public Research University located in Lafayette, Louisiana, with high research activity. Information about the Department of Mathematics is available on the website at <http://www.math.louisiana.edu>.

We will review applications as they are received and continue until the position is filled. To ensure consideration, receipt of complete application material is required on or before July 31, 2017. Application material should include cover letter, curriculum vitae, research and teaching statements, and three letters of reference. Inquiry should be sent via email to: Department of Mathematics, Search Committee, math@louisiana.edu, or sent via mail to: PO Box 43568, Lafayette, LA 70504-3568.
