OF  
LOUISIANA  
L a f a y e t t e

## ACADEMIC VACANCY

- POSITION:** Instructor (Non-tenure-track) of Computing and Informatics.  
EEO #: SC 12 – 16
- RESPONSIBILITIES:** Position involves teaching undergraduate computer science and informatics courses, as well as committee work at the program, school, college, and university levels.
- QUALIFICATIONS:** The successful applicant must have a Master's Degree in Computer Science or a closely related field by the date of appointment, a demonstrated commitment to undergraduate computer science and informatics education, academic advising, assist with assessment and accreditation, and a record of relevant professional development activity. Desirable areas of expertise are: **computer science and programming, data structures and software design, assembly language programming, informatics, human-computer interaction, information technology infrastructures, and network security.**
- ADMIN. UNIT:** The Ray P. Authement College of Sciences consists of academic departments in the disciplines of Biology, Chemistry, Mathematics, and Physics, a School of Geosciences, and a School of Computing and Informatics.
- The School of Computing and Informatics ([cmix.louisiana.edu/](http://cmix.louisiana.edu/)) currently has 28 faculty members with specialties in major branches of computer science, computer engineering, and information systems. The School offers B.S. degrees in computer science and informatics, M.S. degrees in computer science and computer engineering, and Ph.D. degrees in computer science and computer engineering. We are recruiting 2 Instructor positions and 5 tenure-track lines this year.
- The Computer Science Program currently has a faculty of five and a student body of 444 students. In conjunction with an ABET accredited undergraduate curriculum, the program offers five concentrations in Video Game Design and Development, Information Technology, Scientific Computing, Computer Engineering, and Cognitive Science.
- The Informatics Program currently has a faculty of seven and a student body of 190 students. In conjunction with an undergraduate curriculum, the program offers five concentrations in Business Informatics, Health Informatics, Systems Administration, Interactive Media Technology, and Individualization. The program also offers various informatics service courses for other academic units across campus.
- The mission of the University of Louisiana at Lafayette is to offer exceptional education informed by diverse world-views striving to develop innovative leaders who advance knowledge. The Southern Association of Colleges and Schools Commission on Colleges accredits the University, which offers undergraduate and graduate degrees in the arts, sciences, and professional programs. The University is a public research university with high research activity, an enrollment of over 18,000 students and 800 faculty members. UL Lafayette is the largest of nine universities in the University of Louisiana System. The University offers degree programs in 55 undergraduate disciplines, 15 post-bachelor certificates, seven graduate certificates, the master's degree in 28 disciplines and the doctorate in 10 disciplines. Additional

information about the University is available on the University's webpage at <http://louisiana.edu>.

UL Lafayette consists of nine degree-granting units- Arts, B.I. Moody III College of Business Administration, Education, Engineering, Graduate School, Liberal Arts, Nursing and Allied Health Professions, Ray P. Authement College of Sciences and University College.

Located midway between New Orleans and Houston, Lafayette is the heart of Louisiana's Acadian-Creole region. The city of over 122,000 is part of the Lafayette-Acadiana area with a total population of 550,000 is one of Louisiana's fastest-growing metropolitan. Lafayette serves as the base of Louisiana's offshore oil industry, as well as the financial, retail, and medical center for south-Central Louisiana.

For more about safety at the University of Louisiana at Lafayette, and to review the Annual Security Report which contains information about crime statistics and other safety and security matters, please go to <http://police.louisiana.edu/jeanne-clery-act>, which will also provide you with detail on how to request a hard copy of the Annual Security Report.

**SALARY:** Commensurate with qualifications and experience.

**STARTING DATE:** **August 2017**

**APPLICATION:** For initial consideration, send application letter, CV, statement of teaching philosophy, research interests, and the names, postal and email addresses of three references to the address below. The review process will continue until the position is filled. To ensure consideration, receipt of complete application material is required on or before **January 16, 2017**.
