

ACADEMIC VACANCY

- POSITION:** Assistant/Associate Professor
Open Rank Tenure or Tenure Track Position in School of Geosciences
EEO# SC 16-16
- RESPONSIBILITIES:** The School of Geosciences at the University of Louisiana at Lafayette invites applications for an open-rank position in Petroleum Geology. The rank of this position will be determined based on qualifications. The successful candidate will be expected to put together a large and dynamic research program in the area of Petroleum Geology and will mentor students at the undergraduate and graduate levels. Responsibilities will include teaching undergraduate and graduate courses such as stratigraphy, sedimentary petrology, and subsurface mapping. Experience in the petroleum industry will be a great advantage.
- QUALIFICATIONS:** The successful applicant must have a Ph.D. (substantial post-doctoral and/or industry experience is preferred) and demonstrated academic and/or industry teaching and research experience in Sedimentary Geology, Stratigraphy, or a closely-related field that focuses on Petroleum Geology.
- ADMINISTRATIVE UNIT:** The School of Geosciences combines the programs of Geology and Environmental Science and includes 13 full-time faculty, 8 instructors and staff, and approximately 150 undergraduate majors and 90 graduate students (in Geology). Further information on the School of Geosciences is available at our website, <http://geology.louisiana.edu/>.
- The mission of the University of Louisiana at Lafayette is to offer exceptional education informed by diverse world-views striving to develop innovative leaders who advance knowledge. The Southern Association of Colleges and Schools Commission on Colleges accredits the University, which offers undergraduate and graduate degrees in the arts, sciences, and professional programs. The University is a public research university with high research activity, an enrollment of over 18,000 students and 800 faculty members. UL Lafayette is the largest of nine universities in the University of Louisiana System. The University offers degree programs in 55 undergraduate disciplines, 15 post-bachelor certificates, seven graduate certificates, the master's degree in 28 disciplines and the doctorate in 10 disciplines. Additional information about the University is available on the University's webpage at <http://louisiana.edu>.
- SALARY:** Commensurate with qualifications and experience.
- STARTING DATE:** August 2017
- APPLICATION:** To apply, send as a single PDF file that includes your name in the title, an application letter, CV, separate statements of teaching and research interests, and the names and contact information (post and email) of five references to

geology@louisiana.edu. The review process will continue until the position is filled. To ensure full consideration, receipt of the complete application material is required before November 30, 2016. Questions regarding the position can be directed to Dr. David Borrok (dborrok@louisiana.edu; phone 337-482-2888). The University of Louisiana at Lafayette is an Equal Opportunity Employer and encourages applications from minority group members and women.
