# Staff Vacancy

**POSITION: Post-doctoral Associate**

**EEO# SC 23-16**

**RESPONSIBILITIES:**

The University of Louisiana at Lafayette invites nominations and applications for the position of post-doctoral/visiting fellow. Reporting to Radhey Srivastava, Department of Chemistry, the Specialist will:

- develop metal-catalyzed asymmetric nitrogenation
- provide assistance to researchers and undergraduate students
- organizing results, supervising undergraduates, and writing reports in the form of research publications

**QUALIFICATIONS:**

Candidates must have a Ph. D. in organic/organometallic chemistry with proven experience in asymmetric synthesis. The candidate must have experience in asymmetric synthesis. Experience with analytical tools such as NMR, HPLC, GC-MS and UV-Vis, polarimeter is required. Good written and verbal communication skills in English are essential.

**UNIVERSITY AND COMMUNITY:**

The University of Louisiana at Lafayette is a Research University with High Research Activity public institution with an enrollment of approximately 16,700 students with a full-time faculty of about 600. UL Lafayette consists of 9 degree-granting units-The College of the Arts, B.I. Moody II College of Business Administration, Education, Engineering, General Studies, Graduate School, Liberal Arts, Nursing and Allied Health Professionals, and the Ray P. Authement College of Sciences. The University offers degree programs in 54 undergraduate disciplines, 20 post bachelor certificates, the master's degree in 26 disciplines, and the doctorate in 10 disciplines. The University of Louisiana at Lafayette is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. Further information about the University and the Nursing department is available on the University's web page at <http://www.louisiana.edu>.

Located midway between New Orleans and Houston, Lafayette is the heart of Louisiana's Acadian-Creole region. The city of over 122,000 is part of the Lafayette-Acadiana area with a total population of 550,000. It is one of Louisiana's fastest-growing metropolitan areas and is the hub of numerous music and cultural festivals and celebrations. Lafayette serves as the base of Louisiana's off-shore oil industry, as well as the financial, retail, and medical center for South-Central Louisiana.

**SALARY:** Commensurate with experience.

**ANTICIPATED STARTING DATE:** ASAP

**APPLICATIONS:**

Review of application will begin immediately. Applicants should send a cover letter, résumé, and three references to:
