ACADEMIC VACANCY

POSITIONS: Tenure Track position at the rank of Assistant Professor in Mathematics

RESPONSIBILITIES: Duties will include teaching courses at both the undergraduate and graduate level, conducting research, and engaging in departmental and professional service.

QUALIFICATIONS: Applicants must have a Ph.D. in mathematics or statistics and a commitment to excellence in research and teaching. Preference will be given to applicants in the field of topology with research interests overlapping current active areas of research in the Department, who have an established research program, and have university teaching experience.

Successful candidates must be committed to working effectively with diverse student populations. Applicants are expected to describe their commitment to fostering a diverse educational environment through their research, teaching, and/or service activities.

UNIVERSITY & COMMUNITY: The mission of the University of Louisiana at Lafayette is to offer exceptional education informed by diverse world views striving to develop innovative leaders who advance knowledge. The Southern Association of Colleges and Schools Commission on Colleges accredits the University, which offers undergraduate and graduate degrees in the arts, sciences, and professional programs. The University is a public research university with high research activity, an enrollment of over 18,000 students and 800 faculty members. UL Lafayette is the largest of nine universities in the University of Louisiana System. The University offers degree programs in 55 undergraduate disciplines, 15 post-bachelor certificates, seven graduate certificates, the master’s degree in 28 disciplines and the doctorate in 10 disciplines. Additional information about the University is available on the University's webpage at http://louisiana.edu.

The Ray P. Authement College of Sciences consists of academic departments in the disciplines of Biology, Chemistry, Mathematics, and Physics, a School of Geosciences and a School of Computing and Informatics.

The Department of Mathematics is one of the largest academic units on the campus. Course offerings range from freshman mathematics to advanced graduate level courses for doctoral students.

SALARY: Commensurate with qualifications and experience.

STARTING DATE: August 1, 2018

APPLICATION: For consideration, send application letter, CV, research statement, statement of teaching philosophy, and transcripts to the Search Committee Chair, Dr. Daniel Davis at <dgdavis@louisiana.edu>. Also, arrange for three letters of recommendation to be sent directly to via email to Dr. Davis. The review process will continue until the position is filled. To ensure full consideration, receipt of complete application material is required on or before December 1, 2017.

The University of Louisiana at Lafayette is dedicated to the goal of building a diverse faculty committed to teaching and working in a multicultural environment. Women, minorities, and individuals with disabilities are strongly encouraged to apply.
